**Oxford Finance LLC Closes \$13.9 Million
Senior Secured Credit Facility with Affiliates of Landmark Health Solutions LLC**

ALEXANDRIA, VA, June 2, 2011 – Oxford Finance LLC (“Oxford”), a specialty finance firm that provides senior debt to life science and healthcare services companies, today announced that it provided a \$13.9 million credit facility to affiliates of Landmark Health Solutions LLC (“Landmark”). The financing package included a \$10.9 million senior secured term loan and a \$3 million revolving line of credit. Landmark utilized the proceeds from Oxford to refinance existing debt and support the ongoing operations of three of its affiliated owned skilled nursing centers in Massachusetts.

“Landmark’s management team has many years of experience and a proven track record of stabilizing underperforming nursing facilities,” said Christopher A. Herr, managing director for Oxford Finance LLC. “We are very pleased that Oxford was selected to provide a financing package to support Landmark’s efforts to reposition its nursing facilities.”

“We are very excited about the opportunity that this recapitalization provides our owned centers,” said Steve Raso, a principal at Landmark. “This capital initiative allows us to utilize a single lender that optimally supports our current and future business needs. Proceeds from this recapitalization enable us to stabilize our balance sheet through the consolidation of our senior debt while discharging secondary financing and trade liabilities associated with our original center purchase acquisitions. This enhanced capital structure improves our working capital position, strengthens economies of vendor relations, and adds capital improvements capacity associated with continuing operations.”
